Policies You Should Know:

1. To be accepted to the studio every student must first register for and attend a CONSULTATION. The cost for this session is \$25. At the consultation we will meet with you to discuss your goals, evaluate your voice or songwriting, and find a spot for you in our weekly schedule. If you decide to commit to the lessons you will prepay for your first month of lessons at the consultation session.

2. Lessons are prepaid by the month by automatic debit using the financial information you provide for us when you come in for your consultation. Our preferred method is banking because cards expire or are lost. Our site is very secure; thousands of students have used it over the last 15 years and we have never had one issue.

You can also use a debit card or credit card. If you are an international student your Visa and Mastercharge are usually fine (most countries).

Or, you can purchase a NETSPEND card at www.netspend.com. Paypal is an option. Extra fees may be assessed if you use this option for your monthly payment.

3. If your monthly payment does not process, for any reason (including "I forgot to update my expired card") a \$40 late fee is assessed.

We prefer bank information, because it doesn't expire!

4. Some months have five weeks and some have four, so your payment amount is adjusted accordingly; it will be larger on the five week month.

5. A two-week email notice is required to discontinue classes. This means you will be responsible for 2 paid lessons after you give notice. Then you will be deleted from the database.

6. We do not take checks or cash in person for payment and we do not take payments during or after lessons. We want our lesson time to be focused on you and your singing!

7. Missed lessons are forfeited. Because we are very good at what we do we are very booked. We usually do not have open times in our schedule to book makeups for missed lessons.

We hope you can understand this- there just aren't any more hours in the day!

However, each teacher holds a once-per-month class makeup session. You are notified by email about this session. You can attend the session any month you like, and take as many classes as you need to make up for missed lessons.

Lesson time missed due to late arrival is not made up; please leave adequate time to allow for traffic and consider taking lessons online with us to save driving time.

8. Lessons may be taken online or by speakerphone if you are indisposed or traveling. Be sure to give your teacher at least 2 hours' notice so they can set the Webex session up. You might consider gifting your missed time to a student you know who would like to try lessons!
