PAYMENT POLICIES

Payments will be debited automatically for the entire month, on the 3rd of each month.

We use the information with which you sign up for the consultation. You can change that

information at any time by leaving a message with the new information at 404-431-3982.

If your payment does not process, for any reason, you will be charged \$40 **per day** for each day the payment is in arrears.

Some months have five weeks and some have four, so your payment amount is adjusted accordingly.

A two-week written, paid notice is required to discontinue lessons. This means you must have two lessons, after the lesson on which you give notice.

We do not take checks for payment. All payments are made through the secure online method.

Lessons missed for any reason are forfeited, and Sing Like a Star is not required to make up lessons missed by students; however, we offer a once monthly makeup class available to any student who has missed a lesson. You may take the class at any time; you do not have to take it in the same month as the missed lesson. You will receive monthly email notifications about the makeup class.

Please initial and sign below. Please make a copy for your records.

I hereby authorize Sing Like a Star to charge my bank account or credit/debit card for a month's lessons on the 3rd of each month. I understand that on a month with 5 weeks, my payment will include the extra week, and will be higher. _____

If my payment is declined, for any reason, I understand that an additional \$40 will be debited from my account for each additional day the payment is declined past the 3rd of the month. _____

I agree to submit a two-week written and paid notice to discontinue charges _____

I understand that all lessons missed for any reason (illness, travel, traffic, etc) are forfeited. I understand that I can choose to keep my lesson appointment with skype or speakerphone while travelling, or ill. Sing like a Star is not obligated to do makeups for lessons missed for any reason, but a once monthly makeup class is available to me to make up any missed lessons. The makeup class is a performance-based class. _____

I understand that lesson time lost due to late arrival is forfeited. _____

I understand that in order to progress, I must commit to 30 minutes of practice per day. This means practicing the exercises and scales, (preferably standing in front of a mirror) not just singing songs. As a parent, I agree to help my child create this good habit of daily practice. I understand that consistency with weekly lessons and daily practice are the keys to vocal success. _____

At the same time, I also understand that all-or-nothing, perfectionistic thinking can be counter-productive. While daily practice of 30 minutes per day and consistent weekly lessons are the best route to vocal success, some weeks are better than others, so I promise not to give up on my (or my child's) goals when life gets busy. I understand that bi-monthly (every other week) lessons are also available, though less effective. _____

Even students who plan to be here in person every week should consider setting up their skype/ichat options ahead of time, just in case! My skype contact is triciagrey1, and ichat is triciagrey@me.com. If you are stuck in traffic, text me at 404-431-3982 and we can start the lesson by speakerphone. Many students use skype (or facetime) on their phones and you can easily do the lesson that way, from the car or from home. Set it up ahead of time to avoid frustration! This way, if you are travelling, ill, busy, stuck at the office, or caught in traffic, you don't have to miss your lesson! _____

* Please know that I welcome your feedback; if your child says something important after a lesson, or if you (the adult singer) would like to express anything, please email me at triciagrey@singlikeastar.com. I can't take phone calls during my busy teaching day but I do welcome your input very much. I'm here to help YOU reach your goals, so feel free to email me any time! _____

Please use the rest of the space here to let me know something about you- your goals, challenges, past experiences (good and bad), dreams, aspirations in singing, etc. This will help me to help you, better!

I look forward to helping you become an awesome singer!!!!!!
